ASSURANCE

That Irish Republic Bond Certificate Campaign Is Actively in Progress.

Uniform Desire Is to Make the Cam paign Very Thorough and Efficient.

of Ireland Swamped With Demands for Speakers.

LEADING CITIZENS VOLUNTEER.

The American Commission on Irish Independence are now able to expected, the most rapid progress tion. A similar meeting was held the means, as Morrow was has been made in those States where at St. James parish hall, Father there have been numerous meetings willett urging his parishioners to during the past year, where there rally to the support of the Sisters would have him come before the has been plentiful publicity, and of the Visitation Home. Father where the various societies friendly to the Irish cause have been active. In such places it was only necessary five representatives of his parish. to name a campaign period and the campaign organization required produced itself with surprising speed.

It did not take long to learn, however, that this desirable condition does not exist in the same degree of hope is that "the campaign will go the Republicans before the election, but no surprising speed.

Hert machine leaders were also afraid that the Democratic majority would have forced the passage of "reform" measures advocated by the Republicans before the election, but which have here must be supported for the Republicans before the election, but which have here must be supported for the restriction in the same degree of the campaign will go the Republicans before the election, but which have here must be supported for the restriction in the same degree of the campaign will go the Republicans before the election, but which have here must be supported for the restriction in the same degree of the campaign will go the Republicans before the election, but which have here must be supported in the same degree of the campaign will go the Republicans before the election. does not exist in the same degree of perfection in every State, with the over the amount asked for.

The Republicans before the election, but which have been put to sleep result that the work of preparation over the amount asked for.

Some of the cases that the Sis-

tion has also been perfected down to the smallest electoral unit, the cities and towns of Pennsylvania are clothes, as the chimney is in such a part of the could not have much chance in a part of the could make the thing go. The convention and the Republican there's where our hero comes on the convention the scene. Patrolmen No. 188 came the convention the scene. Patrolmen No. 188 came the could not have much chance in a part of the could make the thing go. Here's where our hero comes on the scene. Patrolmen No. 188 came the convention the scene. Nebraska, Vermont, Idaho, New Mexico, word has been in a home that does so much for so colored representatives in districts man's place on the front of the car, received that they are all ready to many girls at the smallest possible like the Tenth ward, which is 80 and amid the huzzas and applause start. In other States the State and cost? Some of the girls get only local chairmen are debating whether three or four dollars per week in they will be able to begin the canthe department stores, and they will be able to begin the canthe department stores, and they are controlled to the department stores, and they are controlled to the department stores. they will be able to begin the canvass on January 17 or whether, because of various deterrent influences, not least of which is the cold
weather, it will be better to defer
the effort until a slightly later date.
In several States the campaign pethe department stores, and they
must have clothes for Sunday to go
to mass and look respectable at

installed the newly elected officers of Division 4, A. O. H., Monday evening in Bertrand Hall with a splendid attendance of members. Financial reports for the year were read and the division treasury shows a nice balance for the term. Talks were made on the proposed drive for the sale of Irish bonds by President S. J. McElliott, Daniel McCarthy, Thomas Keenan, Mark Ryan and others, all predicting that the Hibernian order would make a good showing throughout the coungood showing throughout the coun-

HOME FOR WORKING GIRLS.

The last general committee meeting for the Visitation Home campaign was held Thursday evening with a large attendance. Chairman Geher presided and almost every parish was represented. A bureau of speakers was appointed by the Chairman consisting of Messrs. Clines and Cooney, who will furnish speakers for any parish meeting that is to be held in the interest of the drive. The first meeting of this drive. The first meeting of this kind was held at the school hall of the Church of Our Lady in Port-land on Tuesday evening, at which Fred Leezer was elected the Chairman and C. A. Villier Vice Chairman. Talks in the interest of the give the assurance that the bond coming campaign were made by certificate campaign is actively in Mrs. Geo. Burkley and Misses Corprogress all over the country. The coran and Byrne, who enthused work of organization is farther adtheir hearers with their recitals of vanced in some States than in the work of the Home for Working others, but in all there are city Girls, and the meeting endorsed the committees actively engaged in the drive, promising all their support. preparation of lists and the recruit-ing of workers. As might have been dress pledging his undivided atten-expected, the most rapid progress tion. A similar meeting was held

perfection in every State, with the result that the work of preparation has had to be undertaken from the beginning, and those in charge have asked for the delays they feel to be necessary to enable them to perfect their machinery. The uniform desire is to make the campaign very thorough and efficient once it is undertaken.

Probably the most forward in the matter of preparation are the territories around New York and Philadelphia. The active boroughs of Greater New York, as is well known, contain more people of Irish descent than are to be found in many Sonthern or Western States combined. In these five boroughs every election district now has its chosen have the amount asked for.

Some of the cases that the Sisters ters have to handle are most heart rending, but all true. Mary Evans and the Republican bosses were not willing to even have these bills ters have to handle are most heart rending, but all true. Mary Evans and her ten-year-old sister are the oldest of a family of seven children their hand would be exposed, as the bemoutation of their hand would be exposed, as the loddest of a family of seven children their hand would be exposed, so the cliest of a family of seven children their hand would be exposed, as the cliest of a family of seven children their hand would be exposed, as the cliest of their hand would be exposed, as the cliest of their hand would be exposed, as the cliest of their hand would be exposed, as the cliest of their hand would be exposed, as the cliest of their hand would be exposed, as the cliest of their hand would be exposed, as the cliest of their hand would be exposed, as the cliest of their hand would be exposed, as the cliest of their hand would be exposed, as the cliest of their hand would be exposed, their hand would be exposed their hand would the cliest of their hand would the cliest of their hand would the cliest of their hand would he exposed the them to yield out of a committee where their hand would be exposed. The hand have been put to salled out of a committee where t sire is to make the campaign very thorough and efficient once it is undertaken.

Probably the most forward in the matter of preparation are the territories around New York and Philadelphia. The active boroughs of delphia. The active boroughs of Greater New York, as is well known, contain more people of Irish descent than are to be found in many Southern or Western States combined. In these five boroughs every election district now has its chosen and at work.

REPUBLICANS

Enlist Aid of Democratic Senator Save Morrow and His Machine.

Colored Republicans in the Saddle and Hert-Searcy Machine Doing Bidding.

Paul Burlingame Pulls Off Huge Joke at Expense of Ministerial Association.

POLICEMAN GOOD MOTORMAN.

The proceedings of the Kentucky State Senate this week fully exposed the sham pretensions of "reform" made by the Hert Republican ma chine and the friends of "Howdy Ed" Morrow were forced to desperate means to save his face early speeches. Not only Morrow, but the

room at the home, that they wouldn't stand for it. with just a bed and plenty of bed colored voter knows full well that gave up and said he'd "be goldarnthink you should interest yourself would keep them from selecting to the rescue, taking the them. Some of these girls can not to accompany Gov. Morrow, Bess pay more than one dollar per week Hert and Mrs. South. To this the

mous charge of the Light Brigade it spilled the beans. President Jake Isaacs, of the lower board, says that Visitation Home is located now. It the Home Company might as well send out their bills at the old rates as his board is not in a hurry to tivities to begin at 2:30 and shove the "gouge" bill through. It o'clock. There will be useful Councilman with backbone will suma telephone company which is paying regular dividends of 7 per cent. and its stock quoted on the local market at 105. Then again some he wants to waive aside the peo-ple's eighteen months' contract with Councilman with nerve and grit might summon Judge Peter, Mr. Bingham's law partner and repreentative of the Home Company, and Helm Bruce, one of near Mayor Smith's closest advisers, who is also a legal representative of the Phone Company. Then ask Judge Peter and Mr. Bruce for a list of the stockholders of the company, the tract forfeiture, and also ask them if the Cumberland Company not now own stock in the Home Not a paper in Louisville, daily or otherwise, called attention or pro-tested against this attempted gouge with the exception of the Kentucky frish American.

The visit of the delegation ministers to near Mayor Smith's o' behalf of their crusad Sunday moving picture out one incident that I rought ypical of the "reform" crowd is Smith was flanked by Chief Petty Thairman Paul Burlingame and ther advisers during the conference, and during the argument were told by the dally press Bur neame led the ministers to the efferson street window of the May or's office and said to the preach

ers: "See that place over there, that little church mission—why that used to be a wicked dance hall until WE SHUT IT DOWN." As old Marsh Henri would say: "Good gosh, said the woodcock, and away he flew." The wonderful part of this is how could the Board of Safety Chairman tell this without laughing in the face of his hearers. The place pointed out by Burlingame was George Bierod's old place, and was closed during Mayor Head's administration, 1910, just ten years ago. As all know the present administration began December, 1917, yet Paul had the gall to try and get away with this for his delegation of gospel exhorters. How gullible he must pel exhorters. How gullible he must have thought this bunch of saintly men? It does seem like Dr. E. Y. Mullins, Dr. E. L. Powell and others Mullins, Dr. E. L. Powell and others of the ministers who were present wouldn't let Paul hand out that line of guff about Smith's administration just closing Blerod's.

Chances are if they go back again our Board of Safety Chairman will tell them that this administration closed down the Louisiana lottery and the Turf Exchange. However, the Kentucky Irish American will give the ministers a tip to get even.

give the ministers a tip to get even. Ask Mr. Burlingame to take them to the rear window of the City Hall and ask him why the Federal rev-enue men raided Pete Wermeister's saloon, just twenty feet from the City Hall rear entrance and Central perate means to save his face early in his administration. No one knows what promises or methods of persuasion were used to wean a Democratic Senator away from his party, but the end must have justified the means, as Morrow was find the means, as Morrow was the selfing Paul why there have been to the selfing Paul why the selfing Paul why there have been to the selfing Paul why the selfing P Police Station, where 200 police and detectives report daily. Ask him why by asking Paul why there have been no arrests in the murder case of the young army Heutenant at the Seventh Avenue Hotel; no arrests for the murder of the negro at Hur-ley Pope's colored saloon; no arrests for the rambling murder at Fifteenth and Prentice and so on and so forth. That would offset

the Blerod hoax. The Kentucky Irish American has often explained that the reason of our poor street car service could be The car men. The motorman of No. 992

spoiled a lot of good motormen and conductors by trying to make po-licemen out of them. Get men like Officer 188 and his kind back on the cars and the street car troubles will

FOURTH DEGREE.

be solved.

Following a banquet at the Louis ille-Old Inn Tuesday evening, at which Rev. Father Raffo delivered an address on "Americanism," plans were outlined by Louisville Assembly, K. of C., for the initiation and fourth degree exemplification to be held here on February 22, Washington's birthday. Father Francis Duffy, chaplain of the "Fighting" Irish Sixty-ninth, New York Regiment, will be one of the guests at the Washington birthday celebration.

NATIVES WERE COURTEOUS.

John Bull is out to collect an income tax from all the representawho served for a period of six months or more in the British Isles. The tax is sought under a provision of the law that specifically states that any persons temporarily in Britain for six months and more, despite the fact their sojourn was only temporary, are liable to the tax. The tax is levied upon salaries, profits earned while in the British Isles and upon all remit-tances sent to them from countries outside. The income tax levy was discussed by Edgar A. Sharp, Commissioner for the Kinghts of Columbus in Great Britain. veyor of Taxes is out to collect from everyone of our men who are liable under the six months or more clause. Where the total income is 130 pounds there is no tax payable. Where the total income amounts to 700 pounds the tax is paid on 630 pounds." Commissioner Sharp said that notice of the liability of the welfare workers who took care of British soldiers and sailors with the same careful attention that was bestand careful attention that was be-stowed on our own boys was served upon him but recently. A great many of the K. of C. men have long left the British Isles and there is a very remote chance that they'il ever be able to collect the tax from these men. He also declared that all the men under his command were subject to the American in-come tax while abroad. The Commissioner played host to Gen. Pershing in London, maintained the ex-tensive welfare work of the K. of C. which embraced England, Scotland, Ireland and Wales, and was the directing genius who made the activities of the order so popular among the men of the American army and
